

25 March 2025 — The Feast of the Annunciation

Dear Christian Brothers Community —

We write to you with an update from the Presidential Search Committee, and to express our deep gratitude for your continued interest and prayerful support to this process.

After Zoom interviews with several applicants, the Search Committee has narrowed our search to the Finalist stage. We are pleased to welcome the following Finalist Candidates to come to campus on the days listed:

Monday, March 31, 2025 — Ms. Andrea Flores, Vice President for Advancement, Justin-Siena High School

Tuesday, April 1, 2025 — Dr. David Perry, Principal, Christian Brothers High School

Wednesday, April 2, 2025 — Mr. Simon Chiu, Vice President of Advancement, Archbishop Riordan High School

On each of the days above, our individual finalists will engage in a series of meetings and sessions with different groups within the Christian Brothers community. All will happen during the school day, and the times will vary by day. Finalists will meet with our Search Committee; Dr. Crystal Leroy, President; small groups of staff and administrators from the President's Staff, Academic Leadership and Co-Curricular Directors; and a group of current students. These Claudia Ugarte has sent calendar invites to those participating in those sessions.

The next three sessions will happen at the same times each visit day:

3:00pm — Cafeteria — Open Meeting with Faculty & Staff

4:00pm — Meeting with the Board of Trustees

5:00pm — Social with an Invited Group of Parents & Friends of CBHS.

All participants at sessions will be welcomed to submit feedback by means of a survey distributed at the time of the sessions. The survey data will be useful to the Search Committee as they complete their duties, providing their confidential final report to the CB Board of Trustees. We have noted in the past that the charge to the Search Committee from the Board of Trustees: to recommend an unranked list of three candidates they deem most highly qualified and able to fulfill the role of President of Christian

Brothers High School. They were also charged to provide strengths and opportunities for each candidate. The Board of Trustees will have their own deliberation and provide their own report with their selection to the Lasallian Education Corporation (LEC) for their approval, according to the reserved powers in the corporation bylaws.

Please know that after the conclusion of the Finalist Visits, the final stages of the Presidential Search will be quiet and confidential. Our consultants will be completing a thorough check of references, online presence, and such. Within the weeks ahead, as we all approach the Easter Season, the Board of Trustees will announce the results in a public statement to the entire community.

We remain deeply grateful for the work of our Presidential Search committee, for at every step in this process, they have held in their minds and hearts, the Lasallian Catholic mission and the community of Christian Brothers High School.

May the completion of our Lenten journey allow us to more greatly rejoice in the celebration of our Easter joy.

Sincerely,
